To Whom It May Concern:

This letter is to acknowledge the enduring and productive relationship that exists between ShareCor and Staff Care, Inc., a division of AMN Healthcare, the nation's largest healthcare staffing firm.

Since 1997, Staff Care has served as the ShareCor preferred provider in the areas of temporary (locum tenens) physician staffing.

We have found Staff Care's industry knowledge, commitment to quality and professionalism to be superior. Staff Care has provided key faculty members for Louisiana Hospital Association annual meeting and seminars, providing insightful and timely programs on a wide range of staffing topics. Original data generated by Staff Care regarding temporary physician staffing trends and practice patterns have been widely referenced by hospital throughout the state and throughout the country.

In addition, Staff Care has provided the highest level of service to Louisiana hospitals, matching hundreds of temporary providers with facilities in need.

We have found Staff Care consistently willing to commit the time, energy and expertise necessary to building lasting relationships. If you have any questions about our relationship, please feel free to call me at (504) 837-6266 or you may call them directly at 1-800-685-2272.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike S. Mouisset".
