

# TELEHEALTH SERVICES FROM STAFF CARE

In the face of industry reports forecasting a growing physician shortage, telehealth is becoming an increasingly critical component to achieving success in today's healthcare market. In the wake of this growing physician shortage and demand for coverage increasing in facilities nationwide, Staff Care has strategically focused our recruitment efforts to build a pool of quality candidates to work in telehealth settings.

With nearly **10 years of experience** staffing providers in telehealth settings, Staff Care can provide:

- **Remote Locums:** Dedicated or part-time temporary physicians and advanced practice clinicians
- **On-call Coverage:** Specialty call panel physicians and clinicians to ensure timely ED coverage
- **Scheduled Clinic:** Pre-scheduled patient visits for high-demand specialties, such as psychiatry
- **Integrated Care Team:** Blended clinical team for care coordination, remote patient monitoring, disease management and other integrated programs
- **Billing Services:** Expert support for telehealth service coding, billing and collections
- **Technology:** Unbiased technical advice to evaluate and select telehealth technology

## Why Choose Staff Care

As the locum tenens division of **AMN Healthcare**, the leading innovator in healthcare workforce solutions and the largest healthcare staffing firm in the U.S., Staff Care can connect you with more multi-specialty providers than any other telehealth company.

Our high-quality physicians, nurse practitioners, and physician assistants work in full-time or part-time assignments, in both in-patient and out-patient settings, and in all major clinical specialties.
